

REMARKS

In the office action of October 11, 2006, the Examiner allowed claims 35-41 and 43-51. The Examiner indicated that claims 26-31 contained allowable subject matter.

Claim 20 has been amended to include the limitations of previous claim 26, which was indicated as allowable. Claim 26 was therefore canceled. Claims 20-25 and 27-34 should thus be in condition for allowance.

Claim 70 has been amended to distinguish the claim over the prior art, and claims 70-85 should thus be in condition for allowance.

New claims 86-94 should also be in condition for allowance.

A number of the originally pending claims have been amended to correct grammatical inconsistencies.
